Iowa Methodist Medical Center/Broadlawns Medical Center
Des Moines, IA
- 9/94 - 1/96 Research Fellow
Lab of N. N. Abumrad, MD, Chairman, Dept. of Surgery, SUNY
at Stony Brook, NY
Studying the effects of stress (e.g. sepsis, hypoglycemia) on
glucose and protein metabolism as well as on variations in
endogenous morphine concentrations in the different tissues of
dogs and rats.
- 7/92 - 9/94 Categorical Surgery Resident
SUNY at Stony Brook, NY, VAMC at Northport, NY and
Winthrop University Hospital at Mineola, NY

Samuel Bundz, MD, F.A.C.S.

Medical Education

8/88 - 5/92 *Vanderbilt University School of Medicine*, Nashville, TN
Graduated: May, 1992. Degree: MD

1/89 - 6/91 *Student Research*
Laboratory of Robert J. Coffey, MD, Professor, Dept. of Medicine,
Div. of Gastroenterology, Vanderbilt University, Nashville, TN
Studying the effects of fasting and refeeding on TGF- α production
in the rat small intestine.

Curriculum Vitae

Honors and Achievements

1st place 1996 New York/Brooklyn Committee on Trauma resident paper competition.
Oral presentation at the FASEB meeting (1995).
Oral presentation at the national meeting of the American Gastroenterological
Association (1990).
